# 109年 i-Voting 臺北市參與式預算

## 網路投票流程

The screenshot shows the i-Voting interface with a progress bar at the top indicating steps 1 to 6. Step 1 is highlighted in red. The main content area shows a '投票資訊' (Voting Information) section with a '我要投票' (I want to vote) button highlighted in red. Below it, there are instructions for logging in and a '投票' (Vote) button highlighted in red.

### STEP 1 確認議題資訊

1. 點選「我要投票」。
2. 打勾。
3. 點選「下一步」。

Step 4: '請選擇驗證方式' (Please select verification method). Two options are shown: '身分證字號驗證 (居住、設籍)' (ID card number verification (residence, domicile)) and '投票人資料填寫 (就學、就業)' (Fill in voter information (study, employment)). Arrows point to (A) and (B) respectively. '上一頁' (Previous page) and '下一頁' (Next page) buttons are visible.

Step 5: Two sub-screens are shown. (A) '請填寫驗證資料' (Please fill in verification information) for ID card verification, with fields for ID number, birth date, and verification code. (B) '請填寫驗證資料' (Please fill in verification information) for voter information, with fields for company/school name, ID number, and verification code. Both screens have '上一頁' and '下一頁' buttons.

### STEP 2 仔細填入個人資料

4. 選擇驗證方式。
  5. 依驗證方式填寫資料:
- (A) 身分證字號驗證 → 輸入身分證字號、出生年月日、驗證碼，點選「下一頁」。

- (B) 投票人資料填寫 → 輸入公司或學校名稱、身分證字號、生日、驗證碼，點選「下一頁」。

The screenshot shows three proposal cards labeled '提案 1', '提案 2', and '提案 3'. Each card has a '確定送出' (Confirm and send) button highlighted in red. Below the cards are '清除' (Clear) and '取消' (Cancel) buttons.

### STEP 3 精挑細選理想的項目

6. 點選您心目中理想的提案，點選「確定送出」。

The screenshot shows a confirmation screen titled '您的投票已完成' (Your voting is complete). It asks for the voter's name and mobile phone number. Fields are filled with '例：王小明' (Example: Wang Xiaoming) and '例：0912345678'. A '下一步' (Next step) button is highlighted in red. A note at the bottom says '(若不參加抽獎活動則無須填寫，請直接點下一步)' (If you do not participate in the lottery activity, you do not need to fill in, please click the next step directly).

### STEP 4 完成投票，填寫資料抽大獎

7. 留下資料抽大獎，點選「下一步」就完成投票囉！
